WEIGHT MANAGEMENT FORMULA

Weight Loss FORMULA

Chitoherbe | Citrus Complex

Dietary Supplement

30 tablets of 1g Chitoherbe | **30** tablets of 1g Citrus Complex

DOUBLE ACTION WEIGHT MANAGEMENT FORMULA

Double Action Weight Management Formula dietary supplement tackles the problem of obesity, thanks to its innovative composition. There are many mechanisms involved in the treatment of obesity. **Double Action Weight Management Formula** dietary supplement deals with the problem of obesity in two phases.

In the **first phase** (Chitoherbe) when taken before meals, it offers a feeling of satiety and regulates hunger, resulting to the consumption of smaller amounts of food and the reduction of calorie intake.

In the **second phase** (Citrus Complex) when taken after the meals it enhances nutrient absorption, it has thermogenic action, burns fats and enhances basal metabolism.

FIRST STAGE: Chitoherbe, take two tablets 3 times a day, 20 minutes before the meals with a sufficient quantity of water.

COMPOSITION IN ACTIVE INGREDIENTS	Per daily dose (6 tablets)
